

Absolutely everybody

INTRO

Absolutely everybody
Absolutely everybody yeah
Absolutely everybody
Absolutely everybody yeah

Everybody needs a little loving
Everybody needs somebody thinking of them
Everybody needs a little respect
And whatever it takes,
I'm gonna get it

Everybody needs a hand to hold
Someone to cling to
When the nights are getting cold
We're no different, we are all the same
A player in the... game.....

Absolutely everybody
Everybody, everybody
Absolutely everybody In the whole wide world
Everybody breathes
And everybody needs
Absolutely everybody yeah

Everybody needs a human touch
I can't live without it
It means too much to me
Everybody needs one true friend
Someone who will be there 'til the very end

Everybody needs a hand to hold
Someone to cling to
When the nights are getting cold
We're no different, we are all the same
A player in the... game.....

Absolutely, everybody
Everybody, everybody
Absolutely everybody
In the whole wide world
Everybody breathes
And everybody needs
Absolutely everybody yeah

Absolutely, everybody
Everybody, everybody
Absolutely everybody
In the whole wide world
Everybody breathes
And everybody needs
Absolutely everybody yeah
