

Can't get you out of my head

La la la, la la la la la
La la la, la la la la la
La la la, la la la la la
La la la, la la la la la

I just can't get you out of my head
Oh, your love is all I think about
I just can't get you out of my head
Oh, your lovin' is all I'm thinkin' 'bout

La la la, la la la la la
La la la, la la la la la

Every night
Every day
Just to be there in your arms

Won't you stay
Won't you stay
Stay forever and ever and ever ah ah

La la la, la la la la la
La la la, la la la la la
La la la, la la la la la
La la la, la la la la la
