

Happy together

Imagine me and you, I do  
I think about you day and night  
It's only right, to think about the girl you love  
And hold her tight, so happy together

If I should call her up, invest a dime and you say  
You belong to me and ease my mind  
Imagine how the world would be - so very fine  
So happy together

I can't see me lovin' nobody  
But you for all my life  
When you're with me baby the  
Skies will be blue for all my life

Me and you, you and me  
No matter how they toss the dice  
It has to be only one for me is you  
and you for me  
So happy together

CHORUS

Imagine me and you, I do  
I think about you day and night  
It's only right to think about the girl you love  
And hold her tight so happy together  
So happy together, so happy together  
So how is the weather...

CHORUS
