

I Don't Wanna Talk About it

... I can tell by your eyes

That you've probably been cryin' forever

And the stars in the sky

Don't mean nothin' to you, they're a mirror

... I don't wanna talk about it

How you broke my heart

If I stay here just a little bit longer

If I stay here, won't you listen to my heart?

Oh, whoa, heart

... If I stand all alone

Will the shadow hide the color of my heart?

Blue for the tears, black for the night's

Fears the stars in the sky

Don't mean nothin' to you, they're a mirror

... I don't wanna talk about it

How you broke my heart

If I stay here just a little bit longer

If I stay here, won't you listen to my heart?

Oh, my heart

... I don't wanna talk about it

How you broke this old heart

If I stay here just a little bit longer

If I stay here, won't you listen to my heart?

Oh, my heart

My heart

Oh, my heart
