

LARGER THAN LIFE

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than - life_

I may run and hide

When you're screaming my name, all right

But let me tell you now

There are prices to fame, all right

All of our time spent in flashes of light

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than

Looking at the crowd

And I see your spirit sway, c'mon

Wishin' I could thank you in so many ways, c'mon

All of your time spent keeps us alive

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger

That makes you larger.....that makes you larger

Larger than life
