

## PEOPLE GET READY

I believe I believe I believe I do believe  
I believe I believe If you believe just get on board

People get ready - There's a train a'coming  
You don't need no baggage - You just get on board

All you need is faith - To hear the diesels humming  
Don't need no ticket - Just get on board

I believe I believe I believe I do believe  
I believe I believe If you believe just get on board

People get ready - There's a train to Jordan  
Picking up passengers - From Coast to coast

Faith is the key - Open the doors and board them  
There's room for all - Just get on board

People get ready People get ready People get re-ee-ee-dy
