

RUNAROUND SUE

Here's my story, sad but true

About a girl that I once knew

She took his love then ran around

With every single guy in town

HEP x 1

Never should have known her from the very start

This girl will leave me with a broken heart

Listen people what I'm telling you

I said keep away from-a Runaround Sue

Yeah he missed her lips and the smile on her face

Touch of her hand and the girl's warm embrace

If you don't wanna cry like I do

I said keep away from-a Runaround Sue

HEP x 1

She likes to travel around

She'll love you but she'll put you down

Now people let me put you wise

Sue goes out with other guys

Here's the moral and the story from the guy who knows

He fell in love and his love still grows

Ask any fool that she ever knew, they'll say

Keep away from-a Runaround Sue

HEP X 1

She likes to travel around

She'll love you but she'll put you down

Now people let me put you wise

Sue goes out with other guys
