

The Reason

There goes my heart beating 'Cause you are the reason

I'm losing my sleep Please come back now

There goes my mind racing And you are the reason

That I'm still breathing I'm hopeless now

I'd climb every mountain And swim every ocean

Just to be with you And fix what I've broken

Oh, 'cause I need you to see That you are the reason

There goes my hands shaking And you are the reason

My heart keeps bleeding I need you now

If I could turn back the clock I'd make sure the light defeated the dark

I'd spend every hour, of every day Keeping you safe

CHORUS

That you are the reason

(I don't wanna fight no more, I don't wanna fight no more)

(I don't wanna cry no more, come back, I need you to hold me a little closer)

You are the reason (me a little closer, come a little closer)

I need you to hold me tonight

CHORUS
