

Time After Time

Lying in my bed
I hear the clock tick, and think of you
caught up in circles
confusion is nothing new
Flashback.....warm nights.....almost left behind
suitcases of memories,

time after--sometimes you picture me—
I'm walking too far ahead
you're calling to me,
I can't hear what you've said
Then you say...go slow... I fall behind
the second hand unwinds

chorus:
if you're lost you can look--
and you will find me
time after time
if you fall I will catch you--
I'll be waiting
time after time
if you're lost you can look
and you will find me
time after time
if you fall I will catch you
I'll be waiting
time after time

after my picture fades and darkness has turned to grey
watching through windows
you're wondering if I'm OK
secretsstolen from deep inside
the drum beats out of time

chorus:

if you're lost you can look--
and you will find me
time after time
if you fall I will catch you--
I'll be waiting
time after time
if you're lost you can look
and you will find me
time after time
if you fall I will catch you
I'll be waiting
time after time

you said go slow--
I fall behind
the second hand unwinds—

chorus:

if you're lost you can look--
and you will find me
time after time
if you fall I will catch you--
I'll be waiting
time after time
if you're lost you can look
and you will find me
time after time
