

## TO LOVE SOMEBODY

There's a light, a certain kind of light  
that never shone on me  
I want my life to be, lived with you, lived with you

There's a way everybody says  
to do each and every little thing  
But what good does it bring if I ain't got you,  
ain't got you

You don't know what it's like, Baby  
You don't know what it's like  
To love somebody, to love somebody  
The way I love you

In my brain, I see your face again,  
I know my frame of mind  
You ain't got to be so blind and I am blind, so, so blind

There's a way everybody says  
to do each and every little thing  
But what good does it bring  
if I ain't got you, ain't got you baby

You don't know what it's like, baby  
You don't know what it's like  
To love somebody, to love somebody  
The way I love you

You don't know what it's like, baby  
You don't know what it's like  
To love somebody, to love somebody  
The way I love you
