

True Colours

You with the sad eyes

Don't be discouraged oh I realize

It's hard to take courage

in a world full of people

you can lose sight of it all

and the darkness inside you

makes you feel so small

But I see your true colours shining through

I see your true colours

and that's why I love you

so don't be afraid

to let them show your true colours

true colours are beautiful like a rainbow

Show me a smile then

Don't be unhappy can't remember when

I last saw you laughing

if this world makes you crazy

and you've taken all you can bear

you can call me up

cause you know I'll be there

But I see your true colours shining through

I see your true colours

and that's why I love you

so don't be afraid

to let them show your true colours

true colours are beautiful like a rainbow

lead break

**if this world makes you crazy
and you've taken all you can bear
you can call me up
cause you know I'll be there**

**But I see your true colours shining through
I see your true colours
and that's why I love you
so don't be afraid
to let them show your true colours
true colours are beautiful like a rainbow**
