

## Leaving on a jet plane

So kiss me and smile for me  
tell me that you'll wait for me  
hold me like you'll never let me go  
'cause i'm leavin' on a jet plane  
don't know when i'll be back again  
oh babe, i hate to go

All my bags are packed I'm ready to go  
I'm standin' here outside your door  
I hate to wake you up to say goodbye  
but the dawn is breakin' it's early morn  
the taxi's waitin' he's blowin' his horn  
already i'm so lonesome I could die

So kiss me and smile for me  
tell me that you'll wait for me  
hold me like you'll never let me go  
i'm leavin' on a jet plane  
don't know when i'll be back again  
oh babe, i hate to go

'Cause i'm leavin' on a jet plane  
don't know when i'll be back again oh babe, i  
hate to go

## Smiley

Smiley you're out in the world today  
smiley you're all on your own  
smiley – hey they say you're a man today  
boy how you've grown

Smiley you're off to the Asian war  
and we won't see you smile no more  
no we won't see you smile no more

No more laughter in the air  
no more laughter in the air  
feel the tension in the air where is love?

No more laughter in the air  
no more laughter in the air  
feel the tension in the air where is love  
where is love - (*hang onto the word love*)

## For What it's Worth

There's something happening here

What it is ain't exactly clear

There's a man with a gun over there

Telling me I got to beware

It's time we stop, children, what's that  
sound

Everybody look what's going down x 3

What a field day for the heat

A thousand people in the street

Young people speaking their minds

Getting so much resistance from behind

It's time we stop, children, what's that  
sound

Everybody look what's going down x 3

We gotta get out of the place

In this dirty old part of the city, where the  
sun refused to shine,

people tell me there aint no use in tryin'

Now my girl you're so young and pretty, and  
one thing i know is true,  
you'll be dead before your time is due

Watch my daddy in bed a dyin' watch his hair  
its turnin' grey  
he's been workin' and slavin' his life away

Yes I know. He's been workin' so hard,  
yes I know, every night and day,  
yes I know, yeah yeah yeah yeah!

We've gotta get outta this place, if its the last  
thing we ever do,  
we've gotta get outta this place girl there's a  
better life for me and you.

When the war is over

Ain't nobody gonna steal this heart away  
Ain't nobody gonna steal this heart away

When the war is over got to get away Pack  
my bags to no place in no time no day  
You and I we used each others shoulder Still

so young but somehow so much older  
How can I go home and not get blown away  
Ain't nobody gonna steal this heart away X 2

When the war is over got to start again Try to  
hold a trace of what it was back then

All around this chaos and madness  
Can't help feeling nothing more than sadness  
Only choice to face is the best I can  
Ain't nobody gonna steal this heart away  
Ain't nobody gonna steal this heart away

You and I we sent each other stories Just a  
page I'm lost in all its glories  
How can I go home and not get blown away

Key change

Chorus x 2 Steal this heart away

Khe sahn

**I left my heart to the sappers round Khe Sahn  
and I sold my soul with my cigarettes**

**to the**

**black market man**

**Had the Vietnam cold turkey,**

**from the ocean to the silver city**

**And it's only other vets could understand**

**Bout the long forgotten dockside guarantees**

**There were no V-day heroes in 1973**

**How we sailed into Sydney harbour,**

**saw an old friend but couldn't kiss her**

**She was lined, and I was home to the lucky**

**land**

**She was like many more from that time on**

**Their lives were all so empty, till they'd**

**found their chosen one**

**And their eyes were often open,**

**but their minds were always closed**

**And their hearts were held in fast suburban**

**chains**

So I worked across the country end to end  
Tried to find a place to settle down, where my  
mixed up life could mend  
And I've been back to south east asia,  
and the answer sure ain't there  
But I'm drifting north to check things out  
again

You know the last plane out of Sydney's  
almost gone

You know the last plane out of Sydney's  
almost gone

And it's really got me worried, I'm going  
nowhere and I'm in a hurry,

You know the last plane out of Sydney's  
almost gone.

**The last plane out of Sydney's almost gone  
Yeah Yeah Yeah**

**The last plane out of Sydney's almost gone**

**And it's really got me worried,**

**I'm going nowhere and I'm in a hurry,**

**You know the last plane out of Sydney's  
almost**
