

It's My Party

It's my party, and I'll cry if I want to,
Cry if I want to, cry if I want to,
You would cry too if it happened to you.

Nobody knows where my Johnny has gone (Johnny has gone)
Judy left the same time.
Why was he holding her hand when he's supposed to be mine?

CHORUS

Play my records, keep dancin' all night (dancing all night)
but leave me alone for a while.
'Till Johnny's dancing with me I've got no reason to smile

CHORUS

Instrumental

Oh, Judy and Johnny just walked through the door
(walked through the door)
Like a queen with her king.
Oh what a birthday surprise,
Judy's wearing his ring.
