

I WANNA KNOW WHAT LOVE IS

I want to know what love is,

I want you to show me

I want to feel what love is,

I know you can show me

TOTAL ECLIPSE

Turn around

Every now and then I get a little bit lonely and you're never coming round.

Turn around

Every now and then I get a little bit tired

Of listening to the sound of my tears.

Turn around

Every now and then I get a little bit nervous

That the best of all the years have gone by.

Turn around

Every now and then I get a little bit terrified

And then I see the look in your eyes.

Turn around, bright eyes

Every now and then I fall apart.

Turn around, bright eyes

Every now and the I fall apart.

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever.

And we'll only be making it right
Cause we'll never be wrong.
Together we can take it to the end of the line.
Your love is like a shadow on me all of the time. (all of the time)
I don't know what to do I'm always in the dark.
We're living in a powder keg and giving off sparks. Straight in
I really need you tonight,
Forever's gonna start tonight,
Forever's gonna start tonight.
Straight in

Once upon a time if was falling in love
But now I'm only falling apart.
There's nothing I can do,
A total eclipse of the heart.
WAIT

Once upon a time there was light in my life but now there's only love
in the dark. (straight in)
Nothing I can say
A total eclipse of the heart.
A total eclipse of the heart

RIDE LIKE THE WIND

It is the night, my bo-dy's weak,
I'm on the run with no time to sleep,
I've got to ride, ride like the wind,
to be free a-gain
And I've got such a long way to go,

to make it to the bo-rder of Mex-i-co,

So I'll ride, ride like the wind,

Ride like the wind

And I've got such a long way to go

SUCH A LONG WAY TO GO

to make it to the bor-der of Mex-i-co

So I'll ride, ride like the wind,

Ride like the wind

Ride like the wind
