

Bohemian Rhapsody

**Mama just killed a man
put a gun against his head
pulled my trigger now he's dead**

**Mama life had just begun
but now I've gone & thrown it all away
mama ohh ohh, didn't mean to make you cry
if i'm not back again this time tomorrow
carry on carry on as if nothing really matters**

**Too late my time has come
sends shivers down my spine
body's aching all the time**

**goodbye ev'rybody I've got to go
gotta leave you all behind and face the truth**

**Mama ooh ohh ohh I don't want to die
I sometimes wish I'd never been born at all**

Nothing really matters anyone can see

nothing really matters

nothing really matters to me

anyway the wind blows
