

I WILL ALWAYS LOVE YOU

If I should stay
I would only be in your way
So I'll go, but I know
I'll think of you each step of the way
And I will always love you
I will always love you

Bitter-sweet memories
That is all I am taking with me
So goodbye, please don't cry
We both know that I'm not what
What you need

And I will always love you I will always love you
I will always love you

ISLANDS IN THE STREAM

Islands in the stream that is what we are
No one in-between how can we be wrong?
Sail away with me to another world
And we rely on each other, ah-ha
From one lover to another, ah-ha

Sail away

Islands in the stream that is what we are
No one in-between how can we be wrong?
Sail away with me to another world
And we rely on each other, ah-ha
From one lover to another, ah-ha
