

Bohemian Rhapsody

Mama just killed a man
put a gun against his head
pulled my trigger now he's dead

Mama life had just begun
but now I've gone & thrown it all away
mama ohh ohh, didn't mean to make you cry
if i'm not back again this time tomorrow
carry on carry on as if nothing really matters

Too late my time has come
sends shivers down my spine
body's aching all the time
goodbye ev'rybody i've got to go
gotta leave you all behind and face the truth

Mama ooh ohh ohh i don't want to die
i sometimes wish i'd never been born at all

Nothing really matters anyone can see
nothing really matters nothing really matters to me
anyway the wind blows

We will rock you

Buddy you're a boy
Make a big noise
Playing in the street
Gonna be a big man some day
You got blood on your face
You big disgrace
Kicking your can all over the place

We will we will rock you
We will we will rock you
