

Buttercup

Why do you build me up buttercup baby just to let me down

And mess me around

Then worst of all you never call baby when you say you will

But I love you still, I need you, more than anyone darling

You know that I have from the start

So build me up buttercup don't break my heart

I'll be over at ten you told you time and again

But you're late I wait around and then

I run to the door I can't take any more

It's not you, you let me down again

Baby baby try to find

A little time I'll make you happy

I'll be home I'll be beside the phone waiting for you ooh ooh

Why do you build me up buttercup baby just to let me down

And mess me around

Then worst of all you never call baby when you say you will

But I love you still, I need you, more than anyone darling

You know that I have from the start

So build me up buttercup don't break my heart

To you I'm a toy and I could be the boy you adore

If you just let me know

Although you're untrue I'm attracted to you all the more

Why do you treat me so?

Baby baby i tried to find

A little time i'll make you happy

I'll be home i'll be beside the phone waiting for you

Why do you build me up buttercup baby just to let me down

And mess me around

Then worst of all you never call baby when you say you will

But I love you still, I need you, more than anyone darling

You know that I have from the start

So build me up buttercup don't break my heart

I need you more than anyone darling

You know that i have from the start

So build me up buttercup don't break my hear
