

CHASING CARS

We'll do it all everything on our own

We don't need anything or anyone

If I lay here, if I just lay here

Would you lie with me and just forget the world?

I don't quite know how to say how I feel

Those three words are said too much

They're not enough

If I lay here, if I just lay here

Would you lie with me and just forget the world?

Forget what we're told before we get too old

Show me a garden that's bursting into life

Let's waste time chasing cars around our heads

I need your grace to remind me to find my own

If I lay here, if I just lay here

Would you lie with me and just forget the world?

Forget what we're told before we get too old

Show me a garden that's bursting into life

If I lay here, if I just lay here

Would you lie with me and just forget the world?

Forget what we're told before we get too old

Show me a garden that's bursting into life

If I lay here, If I just lay here

Would you lie with me and just forget the world?
