

THE CLIMB

I can almost see it That dream I'm dreaming but
There's a voice inside my head sayin,
You'll never reach it,
Every step I'm taking, Every move I make feels
Lost with no direction
My faith is shaking but I
I gotta keep trying Gotta keep my head held high

There's always going to be another mountain
I'm always going to want to make it move
Always going to be an uphill battle,
Sometimes I'm gonna to have to lose,
Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb

I can almost see it That dream I'm dreaming but
There's a voice inside my head sayin,
You'll never reach it,
Every step I'm taking, Every move I make feels
Lost with no direction
My faith is shaking but I
I gotta keep trying
Gotta keep my head held high

chorus
break

Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb

chorus

Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb
